

## Marx Tafelparkett

Tafelparkett ist in seiner ganzen Natürlichkeit schon seit Jahrhunderten der Inbegriff einer ganz besonderen Wohnkultur. Die Kunst der Ornamentik in Verbindung mit unserer Hingabe zu handwerklicher Tradition schafft ein unvergleichlich exklusives Flair.

Eine riesige Auswahl an Holzsorten und eine beinahe unendlich scheinende Vielfalt an gestalterischen Möglichkeiten verleiht jedem Raum seine Einzigartigkeit.

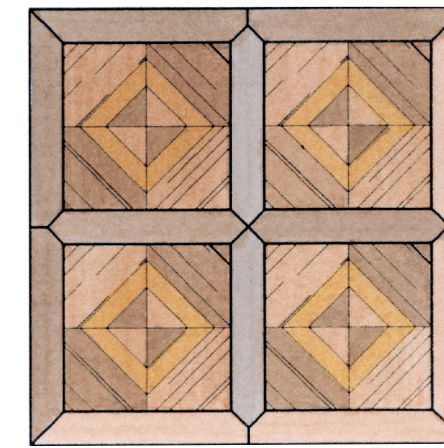

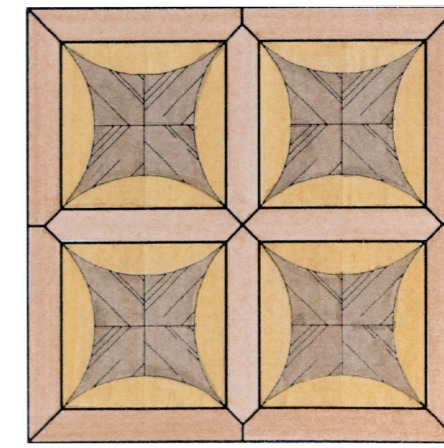

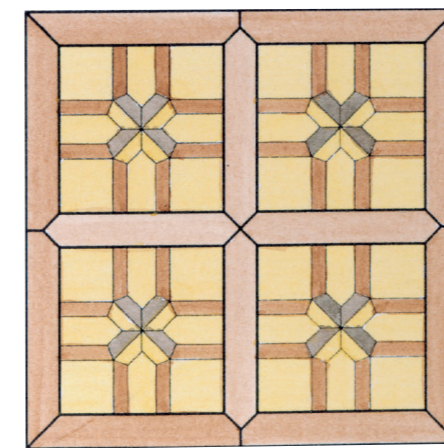

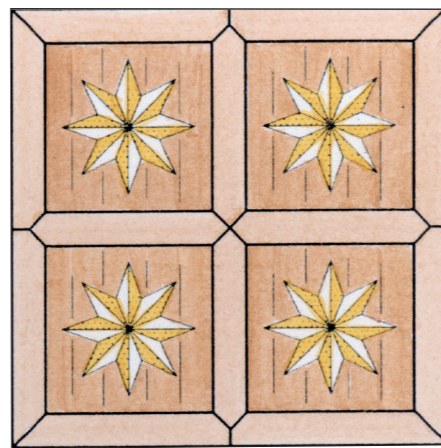

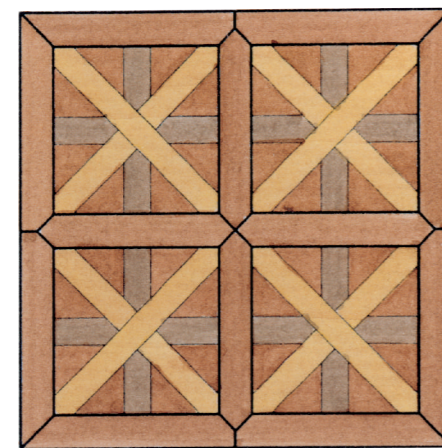

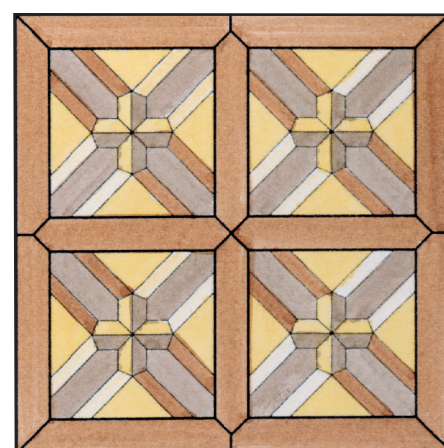

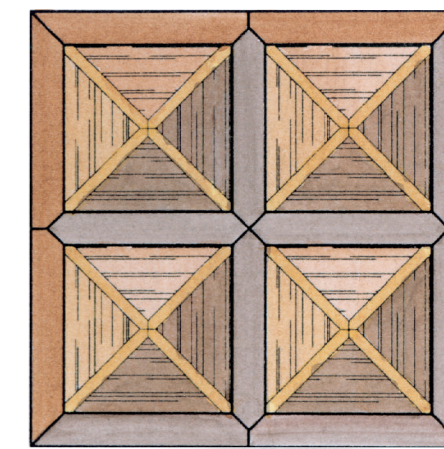

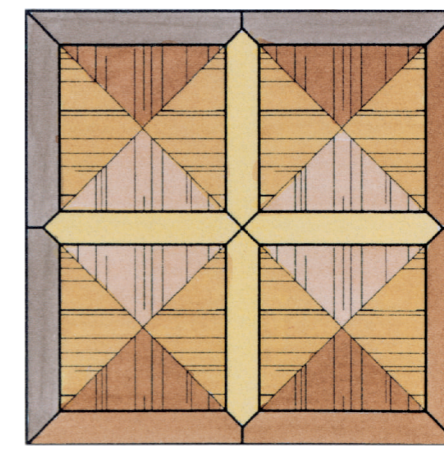

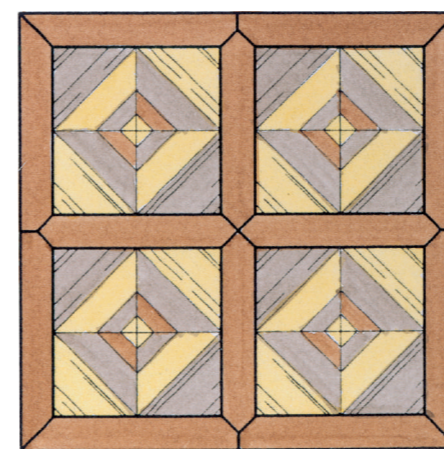

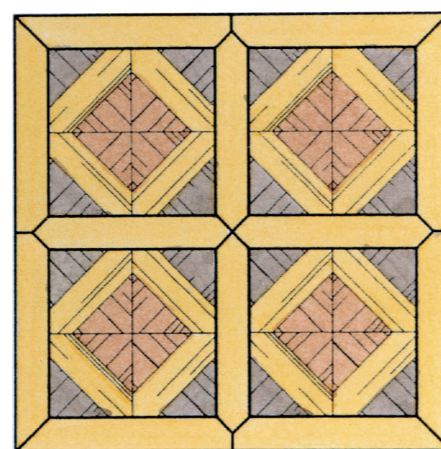

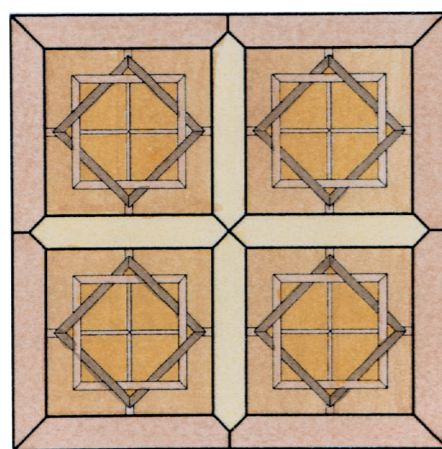

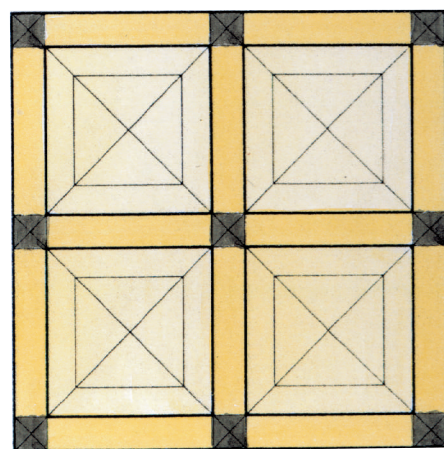

Form, Farbe, Rythmus und Struktur, Lichteinfall und Raumgröße sind Faktoren, die in unsere Designs einfließen. Historische Vorgaben oder gar eigene Entwürfe - fragen Sie uns, wir nehmen uns gerne für Sie Zeit.

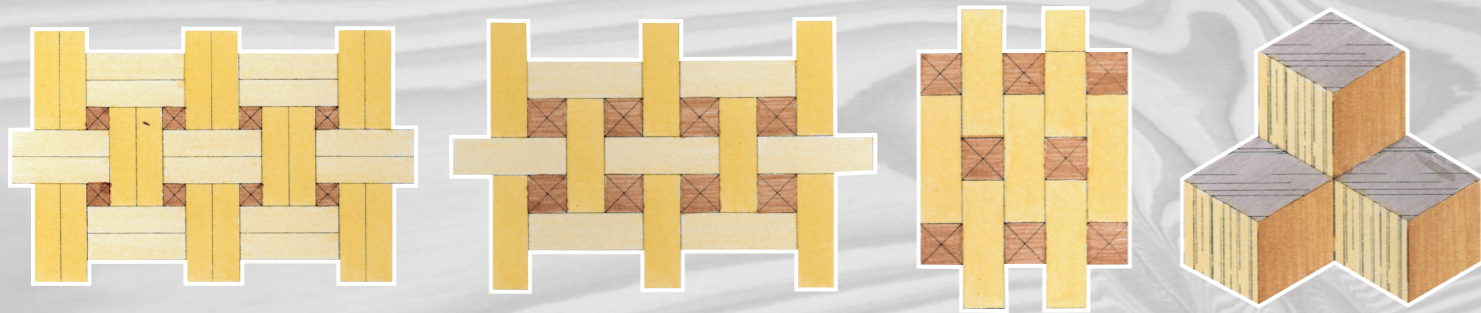

## Quadrotti intarsiati Marx

I quadrotti intarsiati in tutta la loro naturalezza sono l'incarnazione di un arredamento particolare. L'arte dell'ornamento in combinazione con la nostra passione per la tradizione artigianale crea un'atmosfera esclusiva non paragonabile.

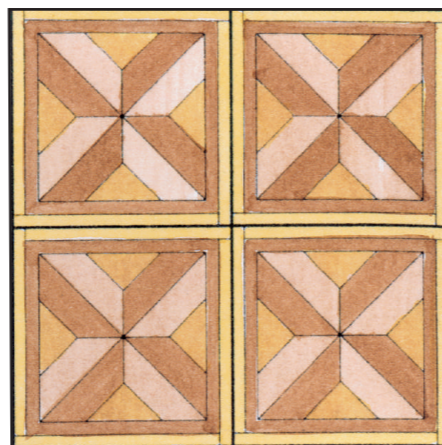

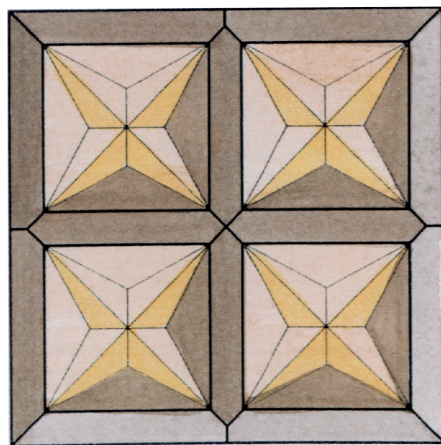

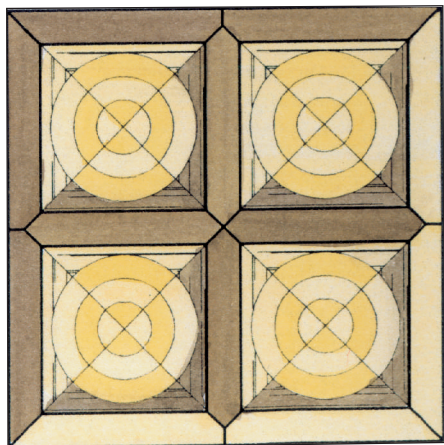

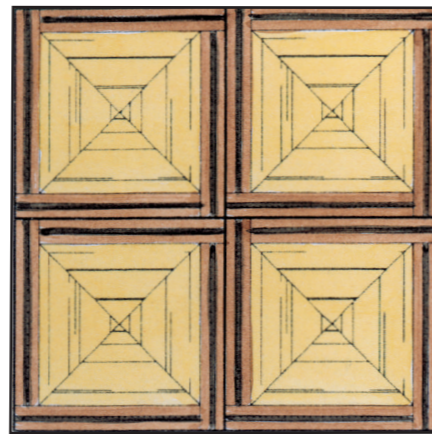

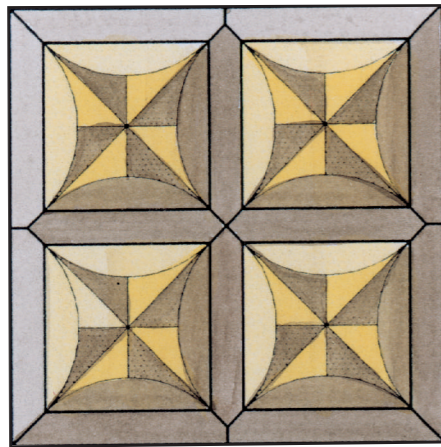

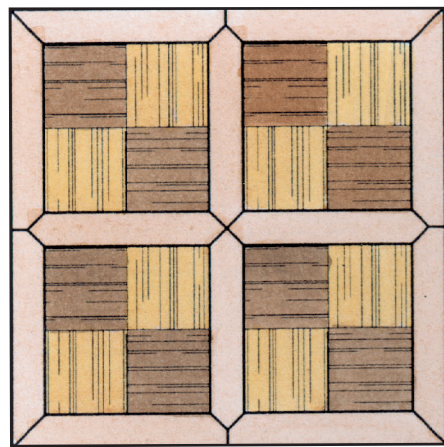

Una vasta gamma di essenze ed un'immensa varietà di possibili creazioni fa unico ogni ambiente.

Forma, colore, ritmo e struttura, incidenza della luce e grandezza dell'ambiente sono fattori, che vengono considerati nei nostri design. Ambienti storici o progettazioni proprie - chiedeteci, ci prenderemo volentieri tempo per Voi.
